

RIDGE ENVIRONMENTAL MANAGEMENT SYSTEM - POLICY STATEMENT

It is the policy of Ridge & Partners LLP (Ridge) to provide our services within an environmentally sound framework.

Ridge holds ISO 14001:2015 certification for all its offices; to provide for this Ridge operates an Environmental Management System.

It is Ridge policy to:

- Maintain an Environmental Management System, which provides the framework for setting, monitoring and reviewing our Environmental Policy, Objectives and Targets.
- Meet and where appropriate exceed the requirements of relevant legislation and other requirements.
- Continually strive to improve our environmental performance and prevent pollution.
- To monitor all purchases of paper to make sure that the pulp has come from sustainable forests.
- Reduce waste and the consumption of resources (materials, fuel and energy) and use best endeavours so that unavoidable waste is recycled, reused or recovered, where possible, or disposed of responsibly.
- Encourage and support, through training and information, all staff to understand the environmental issues affecting the firm and to take responsibility for their actions.
- Monitor and where possible to reduce the impact of our activities on the local and general environment.
